Dear Parent/Carer

I write to inform you that from 1 January 2021 there will be a small price increase of 5p in the price of a school meal from £2.30 to £2.35 per day. This is the first increase for a number of years since September 2017.

Although any increase in cost is unwelcome, we have worked hard with our catering provider to limit the increase as far as possible despite increases in food and labour costs and further uncertainties caused by Covid-19 and UK's exit from the European Union on the 1 January 2021.

The increase will not affect those entitled to free school meals through the Universal Infant Free School meals programme in Reception and Years 1 and 2. It will also not affect children who are eligible for free school meals. If you are unsure about your eligibility for free school meals please contact the school office on 01223 292342. Alternatively, you can send an email confidentially to office@fendittonprimary.org.

We are a cashless school so please could you make sure you are using the school online payment system, SIMSpay. If you are having difficulty using or logging on to the system please contact the school office.

If you have any concerns or queries please contact the school office.

Yours sincerely
