News

Welcome back everyone to the start of autumn 2. It has started with Halloween and will end with the Christmas Concert at the Fen Ditton Church and a PTFA 'winter warmer' event. In the middle will be lots of exciting learning taking place...

As you will have noticed we thought we would continue the building work theme. Following weeks of scaffolding up around the school to replace the school roof and the ongoing cycleway works outside, which I think is starting to look great and will hopefully encourage more people to cycle or walk to school, we thought we would dig up the playground for good measure. This project is to replace the old equipment and very tired green matting with a new play tower, safer rubber mulch on the ground and a trim trail which will really enhance the front of the school grounds and provide hours of fun for the children to develop their gross motor skills. This should be complete by the end of next week. We will be initially timetabling classes on certain days to ensure that all children can explore and play safely on this equipment.

The playground project has only been made possible by the dedication and commitment of the PTFA, who donated £7000 to the school to help fund it. I know that there have been a number of you expressing an interest to get involved with the PTFA, so please get in touch (details at the end of this newsletter) as they are always looking for more support to help generate funds, which from my point of view is so welcome, with all school budgets being squeezed more and more.

As part of our ongoing commitment to safeguarding, **can you please explain to your child that they are not allowed to play on the trim trail or tower equipment before or after school?** This message is particularly important for any children who travel independently to school. If possible, children should not be arriving to school in the mornings before 8.55am as there are no school staff on duty until 9 am. Thank you for your support with this.

Can I remind the parents of Nightingale pupils that following the class assembly, we will be hosting our third E-Safety workshop which has been very well received so far.

Thank you as ever for your support.

News

Welcome back everyone to the start of autumn 2. It has started with Halloween and will end with the Christmas Concert at the Fen Ditton Church and a PTFA 'winter warmer' event. In the middle will be lots of exciting learning taking place...

As you will have noticed we thought we would continue the building work theme. Following weeks of scaffolding up around the school to replace the school roof and the ongoing cycleway works outside, which I think is starting to look great and will hopefully encourage more people to cycle or walk to school, we thought we would dig up the playground for good measure. This project is to replace the old equipment and very tired green matting with a new play tower, safer rubber mulch on the ground and a trim trail which will really enhance the front of the school grounds and provide hours of fun for the children to develop their gross motor skills. This should be complete by the end of next week. We will be initially timetabling classes on certain days to ensure that all children can explore and play safely on this equipment.

The playground project has only been made possible by the dedication and commitment of the PTFA, who donated £7000 to the school to help fund it. I know that there have been a number of you expressing an interest to get involved with the PTFA, so please get in touch (details at the end of this newsletter) as they are always looking for more support to help generate funds, which from my point of view is so welcome, with all school budgets being squeezed more and more.

As part of our ongoing commitment to safeguarding, **can you please explain to your child that they are not allowed to play on the trim trail or tower equipment before or after school?** This message is particularly important for any children who travel independently to school. If possible, children should not be arriving to school in the mornings before 8.55am as there are no school staff on duty until 9 am. Thank you for your support with this.

Can I remind the parents of Nightingale pupils that following the class assembly, we will be hosting our third E-Safety workshop which has been very well received so far.

Thank you as ever for your support.

News

Welcome back everyone to the start of autumn 2. It has started with Halloween and will end with the Christmas Concert at the Fen Ditton Church and a PTFA 'winter warmer' event. In the middle will be lots of exciting learning taking place...

As you will have noticed we thought we would continue the building work theme. Following weeks of scaffolding up around the school to replace the school roof and the ongoing cycleway works outside, which I think is starting to look great and will hopefully encourage more people to cycle or walk to school, we thought we would dig up the playground for good measure. This project is to replace the old equipment and very tired green matting with a new play tower, safer rubber mulch on the ground and a trim trail which will really enhance the front of the school grounds and provide hours of fun for the children to develop their gross motor skills. This should be complete by the end of next week. We will be initially timetabling classes on certain days to ensure that all children can explore and play safely on this equipment.

The playground project has only been made possible by the dedication and commitment of the PTFA, who donated £7000 to the school to help fund it. I know that there have been a number of you expressing an interest to get involved with the PTFA, so please get in touch (details at the end of this newsletter) as they are always looking for more support to help generate funds, which from my point of view is so welcome, with all school budgets being squeezed more and more.

As part of our ongoing commitment to safeguarding, **can you please explain to your child that they are not allowed to play on the trim trail or tower equipment before or after school?** This message is particularly important for any children who travel independently to school. If possible, children should not be arriving to school in the mornings before 8.55am as there are no school staff on duty until 9 am. Thank you for your support with this.

Can I remind the parents of Nightingale pupils that following the class assembly, we will be hosting our third E-Safety workshop which has been very well received so far.

Thank you as ever for your support.

Mr Askew

Achievements

At the end of term two pupils from each class who demonstrated the most achievement overall received a book to take home and enjoy. Well done to Rohan & Catherine from Emus, Maya and Syhaan from Pelicans, Ellie and Liam from Swans, Emile and Phoebe from Toucans and Anastasia and Mateusz from Penguins.

Attendance Cup

Well done to **Toucans** who won the attendance cup in the last week of term, they also had the highest attendance across the whole term.

| Class | Overall Attendance (OA) |
|--------------|-------------------------|
| Penguins | 97.47 |
| Swans | 97.16 |
| Toucans | 98.31 |

Children in Need - 16th November

House representatives will be selling Children in Need merchandise each day from Monday 5th November at 8:50am, outside the school office. Pin badges are £1 each and key rings are £2 each.

On the day **Friday 16th November** the following will be happening:

Children can come to school dressed in spotty non-uniform for a £1 donation

In the hall from 3.30pm-4.30pm each house will be hosting a Bring and Buy Stall with all proceeds going to Children in need.

Cake donations are welcomed for the refreshment stall

PTFA Christmas Shopping Event

Tickets for the Christmas Shopping Event will be on sale from Monday 5th November at the school office.

Caterers Recruitment

Caterlink, our new caterers, are recruiting for a catering Assistant vacancy at the school. If you are interested please call 01234 360874 or Tracy on 07741 321253.

PTFA AGM Tuesday 13th November at Kings Head Pub. It would be lovely to see some new faces.

Break time snacks for Keys Stage 2 Children

Just to confirm, children in Key Stage 2 are allowed to bring in, if they would like to, a healthy snack (pieces of fruit, carrot/veg sticks etc. to have at morning break time. The children will need to take their snack out of their lunchbox or bag and put it in the snack basket provided by the class teacher, ready for playtime. It may help if your child's snack is labelled to avoid confusion. Children should not be going to the hall at break times to collect snacks.

Reception School Places for September 2019

The application process for children due to start primary school in September 2019 begins on 1st November 2018. The closing date for applications is 15th January 2019. For further information or queries please contact the Admissions Team at: admissions@cambridgeshire.gov.uk

TERM TIME HOLIDAYS

Can we please remind parents that term time holidays are not allowed, anyone taking their child/children out of school during term time is potentially liable to pay a fine.
